

*Dear Aaron,*

*Thank you very much for helping to make our wedding event a happy and successful occasion. Our guests were highly complimentary of the food, the service and the elegant surroundings. Most important Sara and Bill had a wonderful time.*

*Our entire experience with you and your staff was a positive one. It's obvious that customer service and customer satisfaction are top priorities in your business, and we will not hesitate to recommend you to others.*

*Thank you.*

*Sincerely,*

*Norma and Darrell Williams*
